

NEPAL International Trade Fair 2012

Showcasing Nepal

5-9 April, 2012
Kathmandu, Nepal

Nepal International Trade Fair (NITF 2012)

Nepal **International Trade Fair (NITF 2012)** brings multitude of Nepalese and International industry and business enterprises under one roof, where the customers-both local and international can directly interact with them for better business opportunities and business dealings.

Federation of Nepalese Chambers of Commerce and Industry (FNCCI), the umbrella organization of the private sector in Nepal, has successfully organized various trade shows and fairs in the past. Through its networks all over the nation, FNCCI has also assisted to organize various regional and sector specific trade fairs. With this experience and with the cooperation from the Government of Nepal, FNCCI is organizing this NITF 2012, the first of its kind in Nepal.

NITF intends to achieve

This event aims to promote Nepal's International trade and enhance the growth of Nepalese exportable products, especially identified in the Nepal Trade Integration Strategy. This event is expected to help in internationalization of Nepalese SMEs and create many new opportunities for them.

What NITF offers
